Mr. Alexander Kalandadze, coordinator of the Ecosystem Educational program (Civitas), and Mr. David Gogikhaishvili, a member of the European Advisory Commission, Executive Director (Information Center of NGO Lankhuti, region of Guria) made a presentation on "Activities of the Environmental Education Program (EEP) ZEWSGES and Educational Consultation Committee (ECC) in Georgia". They told about the interaction with the stakeholders in the project implementation, the activities conducted with students and teachers, ecosystem education (video and game), workshop session "Fishing for Litter".

Project funded by
EUROPEAN UNION

Project funded by
EUROPEAN UNION

Mrs. Fanny Semerdjieva -Marine Environmental Coordinator (Council for Tourism Development in Nessebar Municipality) made a presentation on "ACTIVITIES OF THE ZEWSGES PROJECT IN BURGAS REGION / BULGARIA". She told about selection of the beach for monitoring and peculiarities of marine litter monitoring in the Burgas region, the activity of the ecosystem training programs and the measures to be implemented in the future.

Project funded by
EUROPEAN UNION

Project funded by
EUROPEAN UNION

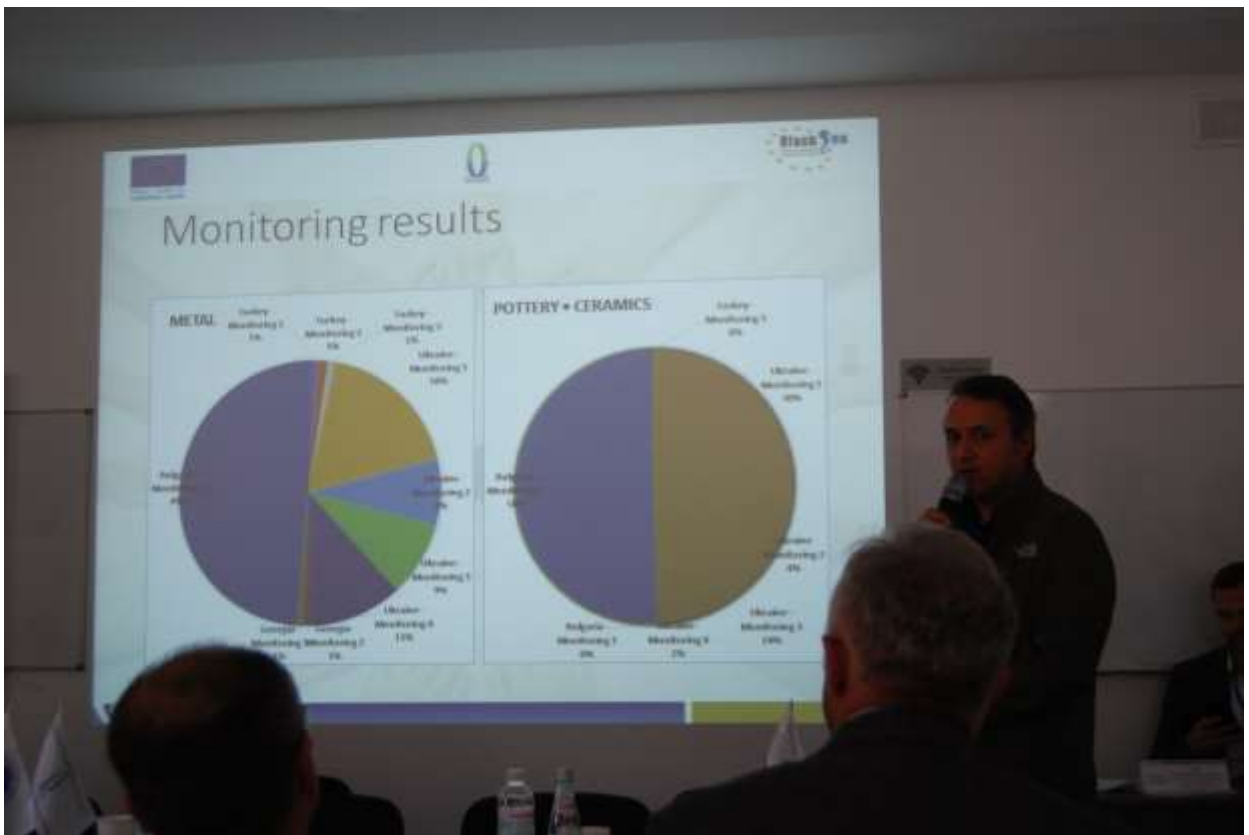

Mr. Lokman Hakan TECER - Turkish Marine Environment Coordinator made a report on "NKU in marine litter collection and disposal ZEWSGES". He told about Tekirdag region, its important industrial potential, Nemik Kemal State University, university departments, university institutes and university schools, students and lecturers. He also told about the interim results of litter monitoring in all participating countries in percentage terms.

Project funded by
EUROPEAN UNION

ZEWSGES Project and its benefits to the Region

Monitoring activity:

For monitoring to establish a quantitative and qualitative (morphological) composition of beach garbage:

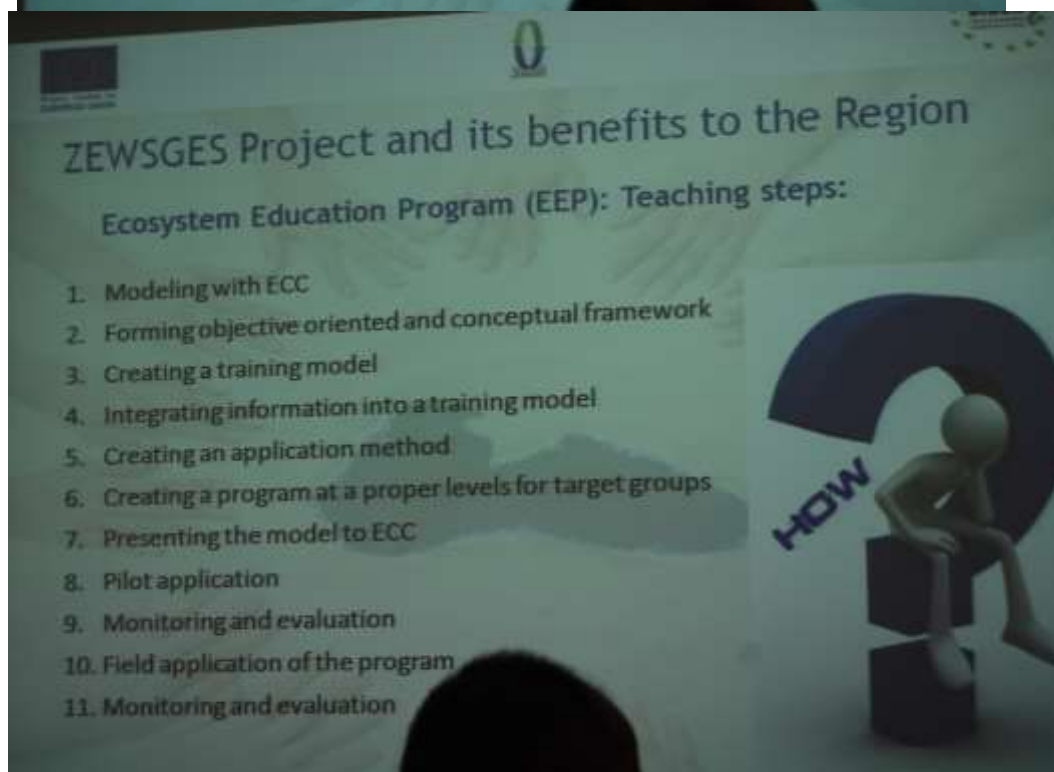

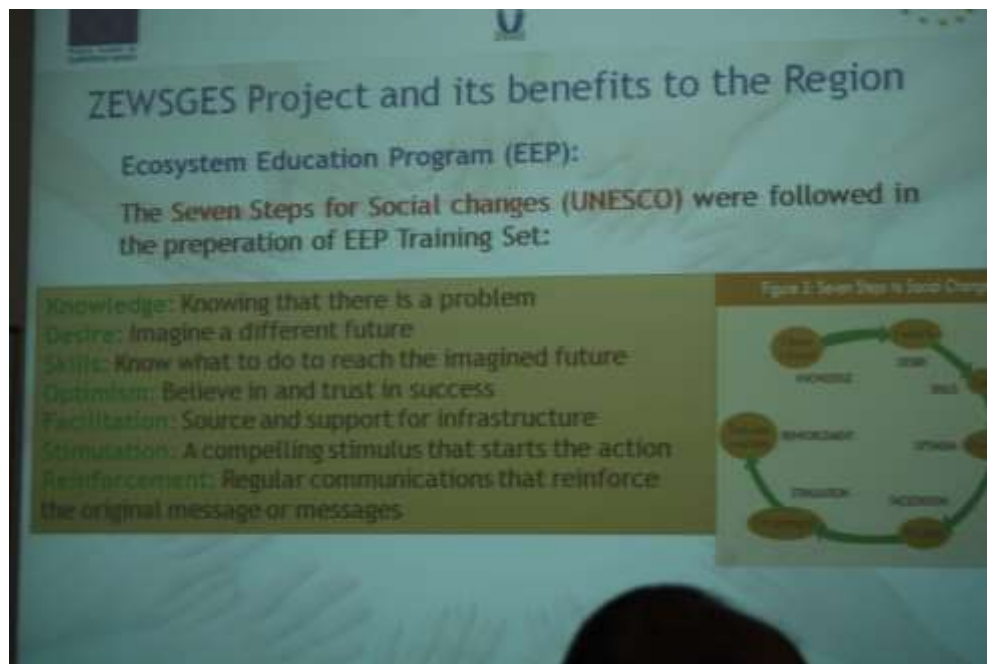

- Coastline of Kiyikoy and Kastro are visited and selected on 03 December 2018.
- The study area was defined as Kiyikoy.
- The first monitoring activity was carried out on 30 January 2019.

Project funded by
EUROPEAN UNION

Mr. Professor Fatih KONUKU, coordinator of the Ecosystem Education Program (Tekirdağ Namik Kemal University) made a presentation on "ECOSYSTEM EDUCATION PROGRAM ZEWSGES IN TURKEY". He told about the Ecosystem Education Program, the seven steps for social changes, guidelines, teaching steps, topics to be considered in the training, training poster and brochure, promotion of the project in different participating countries.

Project funded by
EUROPEAN UNION

Kraynyuk Inna Vasilievna, biology teacher of the Odessa Educational Complex No. 4 "Secondary School of I-III levels - Gymnasium" of the Odessa City Council made a report on the participation of the educational institutions in ZEWSGES project. Pupils of OEC No. 4 also made a report on their participation in ZEWSGES project.

Project funded by
EUROPEAN UNION

STAGE 2: Beach clean-up activities

Meeting of the Congress participants with the executive management of Suvorovsky District Administration of the Odessa City Council, which is located on the territory of the beach "Kryzhanovskyi" selected for the project.

Project funded by
EUROPEAN UNION

At 3 p.m., there was an action to clean-up the Kryzhanovskyi beach, in which five secondary schools (No. 4, No. 5, No. 7, No. 92, No. 71) and representatives of the All-Ukrainian Fishermen's Association took part. (Annex 3: List of participants of the action). As a result, about 150 kg of the beach garbage were collected. The number of participants in the action was 117 people (including 88 pupils and teachers, 8 fishermen, 21 members of the project - representatives of the participating teams from Turkey, Georgia, Bulgaria and Ukraine).

STAGE 3 -Working session

A working session of the ZEWSGES project member teams was held on 20 September 2019. Representatives of the Turkish team made a presentation of the project website: <http://zerowastebbs.com>. In addition, the convenience of further work with the site for teachers and students was discussed during the working session. Special attention was paid to visualization of the project materials - a brochure and a poster. Calculation of the site visitors to take part in the ecosystem educational program was discussed. Steering Committee Meeting, Project Coordination Unit Meeting, Marine Clean-up Unit Meeting, and EEP Unit Meeting were held as well.

Ways of further project implementation in each country were also discussed.

(Annex 4 - List of participants in the workshop. Annex 5 - List of participants in committee discussions).

Project funded by
EUROPEAN UNION

ZEWSGES

At 2.30 p.m., the ZEWSGES project team visited the Odessa Educational Institution No.4 of the Odessa City Council.
